Advisory - the following lyrics contain explicit language:

Breaking hearts in a market town
She eats fillet of sole and washes it down with sparkling wine
Nice girl, but a bad girl's better, qualifies in both ways to my mind
But now she's kissing WillieShe shows a leg, shows it damn well
Knows how to drive a man right back to being a child
Well, she's a nice girl, but a bad girl's better
I can read it in her cheating eyes and know that in a while
Well she'll be kissing Willie, my best friend, WillieWillie stands and Willie falls
Willie hangs his head behind gray factory walls
Well she's a nice girl, but a bad girl's better
Me and Willie just can't help come when she calls
Now she's kissing Willie, my best friend WillieKissing Willie, kissing Willie, kissing Willie
Willie, Willie, kissing Willie my best friend, Willie
Kissing Willie, Willie, kissing Willie, kissing Willie
Kissing Willie, Willie, kissing Willie
