

Walkin' On The Sidewalks

Queens Of The Stone Age

Got some action on the other side
Loose teeth in my head
New programs are coming in
So rise and take your oath
I wish we get away
Drink wine and screw
I knew someone else before
Looked a lot like you
And they're gone
I'm gone in space
I been programed as I said before
Technology
Just rollin', wheezin' and breathin'
Eyeballs and teeth
Words are weightless here on earth
Because they're free
You knew someone else before
Looked a lot like me
And they're gone
And I'm gone [Incomprehensible] space
And they're gone
And I'm gone in space
