

Westphalia Waltz

Brave Combo

He said to her, "My little darlin'
You're as lovely as I did recall"
And her eyes brightly sparkled like diamonds
As her tears started slowly to fallOh yes, I can clearly remember
He said with a slow Texas drawl
And she smiled as she softly surrendered
To the strains of the Westphalia WaltzHe stood as the sun in the mornin'
Rose up on Wichita Falls
And there in the dim light, she watched
As he sauntered on off down the hallOh yes, I can clearly remember
He said with a slow Texas drawl
And she smiled as she softly surrendered
To the strains of the Westphalia Waltz
