Mess

Ben Folds Five

Was a time when I had nothing to explain
Oh, this mess I had made
But then things got complicated my innocence has all but faded
Oh, this mess I have madeAnd I don't believe in God
So I can't be saved
All alone as I've learned to be
In this mess, I have madeAll the untested virtue
The things I said I'd never do least of all to you
I know he's kind and true, I know that he is good to you
He'll never care for you more than I doBut I don't believe in love
And I can't be changed

And I can't be changed
All alone as I've learned to be
In this mess, I have made

The same mistakes over and over againThere are rooms in this house that I don't open any more Dusty books and pictures on the floor

That she will never see, she'll never see that part of me
I want to be for her what I could never be for youAnd I don't believe in God
So I can't be saved
All alone as I've learned to be
In this mess, I have made
