Between The Lines

Bonobo

well we can?t change the world
we sure can change the way we live

we can?t only take
also have to learn to give

people corrupt
?cause they don?t understand
there?s book of truths
and a book of lies
think with your heart
read between the lines

things aren?t always how they seem
we got to make the best of it
eye for eye
tooth for tooth
sometimes we?re blind
we can still see the truth

sometimes we?re lost
sometimes we?re blind
think with your heart
read between the lines
