

Out of My Way

Seether

Out of my way
Out of my way I cant pass up this opportunity to make myself absurd
I cant pass up this opportunity to let myself be heard
Would you, like to be the one who sees me lose this all
Would you like to be the one who sees me fall Nobodys gonna stand in my way
Give it up son, Im doin this my way
Nobodys gonna stand in my way
Give it up son, Im doin this my way You like to think the worst is over now, but you can't breathe at all
You like to think youre owed a favor now, man, youve seen it all Did you want to be the one who pushed me off
the wall?
Did you want to be the one who let me fall? Nobodys gonna stand in my way
Give it up son, Im doin this my way
Nobodys gonna stand in my way
Give it up son, Im doin this my way You cant hold me down
You cant hold me down
You cant hold me down
You cant hold me down I cant pass up this opportunity to make myself absurd
I cant pass up this opportunity to let myself be heard
Would you, like to be the one who sees me lose this all
Would you like to be the one who sees me fall Nobodys gonna stand in my way
Give it up son, Im doin this my way
Nobodys gonna stand in my way
Give it up son, Im doin this my way Nobodys gonna stand in my way
Give it up, Im doin this my way
Nobodys gonna stand in my way
Give it up, Im doin this my way
Out of my way
