## Widower

You look for love  
Through eyes of strangers  
Pitiful you go away  
I think it's time to reconsider  
In suspense you stay I think my mind is slippin'  
Know I'm trippin' feels like  
I am losing myself I wish I held your live from dreaming  
(Soul I wish I had life)  
I wish I held your live from dreaming In your mind  
You're my puppet  
I hope the strings give way  
In confused depths of reality  
I wonder if you'll stay I think my mind is slippin'  
Know I'm trippin' feels like  
I am losing myself I wish I held your live from dreaming  
(Soul I wish I had life)  
I wish I held your live from dreaming  
(Soul I wish I had life)  
I wish I held your live from dreaming I own your dreams  
In time you'll see I think my mind is slippin'  
Know I'm trippin' feels like  
I am losing myself I wish I held your live from dreaming  
(Soul I wish I had life)  
I wish I held your live from dreaming  
(Soul I wish I had life)  
I wish I held your live from dreaming God damn I wish  
I'm dreaming, dreaming
