

Lasso (Lolski Extended Remix)

Phoenix

Where would you go?
Not long ago
I've been thinking out loud
Why so suddenly?
Don't you know?
Don't do it
What you do
Oh what you do to me Forever is a long long time
When you've lost your way
Trying to follow your ideal
Oh sorry but your so called life
It is such a waste Wear your real eyes
No you don't realize
What you say yes to
But you say yes too Where would you go
Where would you go
With a lasso?
Could you run into
Could you run into
Could you go and run into me? So lonely so pretty such a lack of diplomacy
You can't get out
Don't you know don't do it
What you do well you should do to me
Far-out, so far-out
Such a fall-out
Not only that you're lonely
Don't matter if you're not so well
No you're not so well Where would you go
Where would you go
With a lasso?
Could you run into
Could you run into
Could you go and run into me? Tomorrow is a long long time
When you've lost your way
Tomorrow is a long long time
When you've lost your way
