Last Time

Idina Menzel

I'm sorry if I wasn't there
Or acted like I didn't care
You were always there for me
Seeing what I couldn't seeI am sorry if you felt alone
I should've called, I should've known
There's nothing that I wouldn't do
To get just one more day with youSo don't let the last time I hurt you
Be the last time I heard you
Don't let the last time I held you
Be the last time I felt youWouldn't let you get away
If I had another day
Don't let the last time I saw you
Be the last time
Be the last timeI'm sorry if I got too loud
Or if I didn't make you proud
You always gave me what you could
When I was wrong you understoodSorry if I made you mad
If I could I'd take it back
You're not where I thought you'd be
But you'll always be a part of meSo don't let the last time I hurt you
Be the last time I heard you
Don't let the last time I held you
Be the last time I felt youWouldn't let you get away
If I had another day
So don't let the last time I saw you
Be the last time
Be the last timeSo don't let the last time I hurt you
Be the last time I heard you
Don't let the last time I held you
Be the last time I felt youWouldn't let you get away
If I had another day
So don't let the last time I saw you
Be the last time
So don't let the last time I saw you
Be the last time
Be the last time
Be the last time
