Ring of Fire

DragonForce

Love is a burning thing And it makes a fiery ring Bound by a wild desire

And I fell right into a great ring of fireAnd I fell into a burning ring of fire

I went down, down, down

As the flames were rising higher

And it burns, burns, burns,

And it burns, burns, burns,

In a ring of fireThe taste of love is sweet

When hearts just like ours meet

I fell for you like a child

But I jumped right in and the fire went wildWhen I fell into a burning ring of fire

I went down, down, down

As the flames were rising higher

And it burns, burns, burns,

And it burns, burns, burns,

In a ring of fireLove is a burning thing

And it makes a fiery ring

Bound by a wild desire

And I fell right into a great ring of fireAnd I fell into a burning ring of fire

I went down, down, down

As the flames were rising higher

And it burns, burns, burns,

And it burns, burns, burns,

In a ring of fire
