

Bounce House Demons

Chelsea Wolfe

Sid get out of the way
Sid your love is a pain
Said my love is an empire
Said get out of the way

Demons

Demons

Sid get out of the way
Said your love is a waste
Said no one if I can't fave her

Said no one- he's a fake

Sid get out of the way

Sid your love is a pain

Said my love is an empire

Sid get out of the way
