

For What It's Worth

Crosby, Stills & Nash

There's something happening here
What it is ain't exactly clear
There's a man with a gun over there
Telling me
I've got to beware

[Chorus]
Think it's time we
Stop! Hey
What's that sound
Everybody look what's going down

There's battle lines being drawn
Nobody's right, if everybody's wrong
People speaking their minds
Getting so much resistance
From behind

[Chorus]

Singing songs and carrying signs
Getting so much resistance
From behind

[Chorus]

Paranoia strikes deep
Into your life it will creep
It starts when you're always afraid
Step out of line
The Men come and shoot you down

[Chorus]

Hey! What's that sound
Look what's going down.
