Watch the great beast to be
For to Mega Therion
The dragonian melody
The dragon open the eye
And reveal both true and lie
Spiritual supremacyRide the beast of ecstasy
Spiritual supremacy
Ride the beast of ecstasyLalbaophs creative sparks
Manifests the utmost dark
Lalbaophs creative sparksMeaning of the letter Theth
Hide the force of Bathomet
Meaning of the letter ThethThe wound of Baal will be healed
When sign of time is unsealed
The wound of Baal will be healedThe world will burn by Soraths flame
And through the solar sign proclaimAscending fiend of the sea
Will fulfil prophecy
Man will feel the wrath of beast
Then Fenris wolf is released
The dragon open the eye
And reveal both true and lie
Spiritual supremacyThe end of revelation
A soulful violation
The end of revelationBear the mark of victory
And the speak of destiny
Bear the mark of victoryPowers of Thagerion
