

# Shadows of the Night (Edit) [2005 Remaster]

Pat Benatar

We're running with the shadows of the night  
So baby take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end

You said, oh girl, it's a cold world  
When you keep it all to yourself  
I said, you can't hide on the inside  
All the pain you've ever felt  
Ransom my heart, but baby don't look back  
'Cause we got nobody else

We're running with the shadows of the night  
So baby take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end

You know that sometimes, it feels like  
It's all moving way too fast  
Use every alibi and words you deny  
That love ain't meant to last  
You can cry tough, baby  
It's all right  
You can let me down easy  
But not tonight

We're running with the shadows of the night  
So baby take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end

We're running with the shadows of the night  
So baby take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end

And now the hands of time are standin' still  
Midnight angel, won't you say you will

We're running with the shadows of the night

So baby take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end

We're running with the shadows of the night  
So baby take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end

We're running with the shadows of the night  
So baby take my hand, it'll be all right  
Surrender all your dreams to me tonight  
They'll come true in the end
