

# Mercy in You

## Depeche Mode

You know what I need  
When my heart bleeds  
I suffer from greed  
A longin' to feed  
On the mercy in you I can't conceal  
The way I'm healed  
The pleasure I feel  
When I have to deal  
With the mercy in you I would do it all again  
Lose my way and fall again  
Just so, I could call again  
On the mercy in you  
The mercy in you When here in my mind  
I feel inclined  
To wrongly treat you unkind  
I have faith, I will find  
The mercy in you I would lose my way again  
Be led hopelessly astray again  
Just so, I could pray again  
For the mercy in you When here in my mind  
I have been blind  
Emotionally behind  
I have faith, I will find  
The mercy in you  
The mercy in you  
The mercy in you  
The mercy in you
