

Don't Be Square (Be There)

Adam & The Ants

Music for a future age
Don't be square be there
All good clean fun
Whatever that means
Antmusic for sexpeople
Sexmusic for antpeople
Get off your knees
And hear the insect prayer
The brain will suffer
So ride hard, ride clean
How reputations scare
And love goes to war
Whatever that means
Antmusic for sexpeople
Sexmusic for antpeople
Get off your knees
And hear the insect prayer
Dirk wears white socks
Dirk wears white socks
Dirk wears white socks
Antmusic for sexpeople
Sexmusic for antpeople
And we got it like this
And we got like that
Antmusic for sexpeople
Sexmusic for antpeople
Antmusic for sexpeople now
You may not like it now but you will
You may not like it now but you will
You may not like it now but you will
You may not like it now but you will
Music for a future age
Don't be square be there
All good clean fun
Whatever that means
Antmusic for sexpeople
Sexmusic for antpeople
Get off your knees
And hear the insect prayer

Dirk wears white socks
Dirk wears white socks
Dirk wears white socks
Antmusic for sexpeople
Sexmusic for antpeople
You may not like it now but you will
You may not like it now but you will
The future will not stand still
Antmusic for sexpeople
Sexmusic for antpeople
You may not like it now but you will
You may not like it now but you will
The future will not stand still
Antmusic for sexpeople
Sexmusic for antpeople
You may not like it now but you will
You may not like it now but you will
The future will not stand still
Antmusic for sexpeople
Sexmusic for antpeople
You may not like it now but you will
