

No Plan

David Bowie

[Verse 1]

Here, there's no music here
I'm lost in streams of sound
Here, am I nowhere now?

No plan

Wherever I may go
Just where, just there

I am[Chorus 1]

All of the things that are my life
My desire, my beliefs, my moods
Here is my place without a plan[Verse 2]

Here, second avenue

Just out of view

Here, is no traffic here?

No plan[Chorus 2]

All the things that are my life
My moods, my beliefs
My desires, me alone
Nothing to regret
This is no place, but here I am
This is not quite yet
