

# Who Stole the Soul?

[SIMO, B. Smiley](#)

Once again this is it, turn it up  
Here we go, but this time the rhyme  
Gonna ask who did the crime  
Then let's get down to the nitty-gritty I wanna know who picked Wilson's pocket  
After he rocket it, fact, he shocked it  
Same kinda thing they threw at James  
And what did to Redd was a shame The bigger the Black get, the bigger the feds want  
A piece of that booty  
Intentional rape system, like we ain't  
Payed enough in this bitch, that's why I dissed them I learned we earned, got no concern  
Instead we burned so where the hell is our return?  
Plain and simp the system's a pimp  
But I refuse to be a ho  
Who stole the soul? Who stole the soul?  
Who stole the soul?  
Who stole the soul? Yeah Ain't no different than in South Africa  
Over here they'll go  
After ya to steal your soul  
Like over there they stole our gold Yo, they say the Black don't know how to act  
'Cause we're waitin' for the big payback  
But we know it'll never come  
That's why I say come and get some Why when the Black move it, Jack moves out  
Come to stay Jack moves away  
Ain't we all people?  
How the hell can a color be no good to a neighborhood? Help, straight me out  
'Cause my tribe gets a funny vibe  
Sayin' I'm wrong for singin' a song  
Without solutions all the dancers answer questions Try to be the best and  
Let everybody know before I blow  
'Cause I wanna know  
What sucker stole the soul? Who stole the soul?  
Who stole the soul?  
Who stole the soul? We choose to use their ways and holidays  
Notice some of them are heller days  
Invented by those who never repented  
For the sins within that killed my kin That's alright, I try do what a brother does  
But I'll never know if you're my cause  
That's why I try my best to unite  
Damn the rest if they don't like it Banned from many arenas

Word from the motherland has anybody seen her  
Jack was nimble, Jack was quick  
Got a question for Jack, ask him 40 acres and a mule Jack  
Where is it? Why'd you try to fool the Black?  
It wasn't you but you pledge allegiance  
To the red, white and blue  
Sucker that stole the soul
