

Tell Me

Lovher

Tell me what you want
Tell me what you need
Tell me if it aint good enough for you babe
Tell me

Tell me what you want
Tell me what you need
Tell me if it aint good enough for you babe
Tell me

Anything is possible
Anytime you want it boy let me know
I wont ask why just let it flow
Do you thang baby take control
On my knees just say the word
No request is gonna go unheard
Take my time when I'm lovin' you
Foreplay at one on into two
Tell me what you want
Tell me what you need
Tell me if it aint good enough for you babe
Tell me

Tell me what you want
Tell me what you need
Tell me if it aint good enough for you babe
Tell me

Candlelights when you we're alone
I'm up in your mix if you put me on
Talk to me I'll understand
Your need to feel a gentle hand
Now boy it's not my style
I cannot lie

You know I like to serve it on the freaky side
(is that what you like)

What you want I can't ignore
So tell me what you're lookin' for
Tell me what you want
Tell me what you need
Tell me if it aint good enough for you babe

Tell me

Tell me what you want
Tell me what you need
Tell me if it aint good enough for you babe
Tell me
When I lay you down
I can hear your body speak
Tellin' me to kiss you til your knees get weak
All night
In the bed or the middle of the floor baby
My love is gauranteed to make you go crazy
Tell me boy
Boy please tell me
Tell me what you want
Tell me what you need
Tell me if it aint good enough for you babe
Tell me
Tell me what you want
Tell me what you need
Tell me if it aint good enough for you babe
Tell me
Tell me what you want
Tell me what you need
Tell me if it aint good enough for you babe
Tell me
Tell me what you want
Tell me what you need
Tell me if it aint good enough for you babe
Tell me
Tell me what you want
Tell me what you need
Tell me if it aint good enough for you babe
Tell me
Tell me what you want
Tell me what you need
Tell me if it aint good enough for you babe
Tell me
