PICK UP TEMPO lyrics

Wheres the party at (repeat)  
Pick up the tempo (repeat)

Now DJ your spinning those record to slow  
Everybody on the dance floor that's spunk this funk  
Hands move to your side  
Shuffle your feet lets go for a ride  
Let the rhythm be your guide

Now that the pulse has entered your brain  
Create some moves and go insane  
Make the dance floor your slave  
This is your time to let go  
Grab that beat  
Go with the flow  
Show what you know

Dj I told you pick up the tempo  
Pick up the tempo

Lock it when your rocking it then sock it
