

# Someone To Love Me (feat. Diddy & Lil Wayne)

Mary J. Blige

Looking for someone to love me  
(Oh oh) I'm, I'm, I'm, I'm looking for someone to love me  
Yeah-yeah-yeah-yeah  
I'm no, angel  
There so much I can take  
Calm down, patience  
Don't lose your temper, hold on wait  
I've got issues just like you  
Sometimes I get so confused  
I'm strong, but I can break  
I'll be praying so hard  
To get through the day  
Bad thoughts in my mind I can't shake  
Having nightmares in the day can you relate?  
Please somebody come and wake me  
I can't let this cold world take me  
I was looking...It's my life, my life, word to Mary  
N-ggas can't f-ck with me, Virgin Mary  
Go ahead make my day, dirty Harry  
Weezy, f-ck the World pop ya cherry  
Everybody pushing but I don't fall back  
And everybody looking but blind to the fact  
The clock on the wall say it's time for some action  
Now you can take that to the bank and cash in  
I'm feeling myself, f-ck if they feeling me  
Can't spell them without me  
It's them or me  
Yesterday was a memory  
Looking in the mirror at my enemy  
But today I'm...  
Looking for someone to love me  
(Oh oh) I'm, I'm, I'm, I'm looking for someone to love me  
Yeah-yeah-yeah-yeahMy drama, my karma  
My love my life, dear mama  
The war's I've fought, scars that I've garnered  
The hustle, I got that honest from my father  
Mix me with violence, blend me with peace  
Combine me with hate and I can't face defeat (nope)  
I did it all in a week

Still incomplete as I stand on my feet  
It take a lot to still dance to the beat  
Skin more cold and callous than concrete  
I love swimming but theres just one ski  
In a rich man's cheap hotel with bed sheets  
Uh ah, you know what I'm looking for Looking for someone to love me  
(Oh oh) I'm, I'm, I'm, I'm looking for someone to love me  
Yeah-yeah-yeah-yeah My rise, my falls  
Enemies wanna see me crawl  
My ups, my downs  
Ya'll know I've been around  
But sometimes it bothers me  
When I hear people say a non truth  
Am I sane, am I crazy  
Pick one there all the same  
In this World we're living in  
I'mma make mistakes, I'm only human  
I was... Looking for someone to love me  
(Oh oh) I'm, I'm, I'm, I'm looking for someone to love me  
Yeah-yeah-yeah-yeah
