

Warfare Inc.

Spetsnaz

Business as usual
Strictly warfare
It's nothing personal
Strictly warfare Now isn't this fun?
We'll go out in style
We'll take on the world
And spend with a smile Business as usual
Strictly warfare
It's nothing personal
Strictly warfare Now isn't this fun?
Let's ruin some lives
Then leave work early
And dine with our wives Now isn't this fun?
We'll go out in style
We'll take on the world
And leave with a smile Business as usual
