

Soul Sister

Allen Toussaint

Hey you, hey you,
With the curly bush on your head, baby
You know you're lookin' good
You know you're lookin' good
You know you're lookin' good
Soul sister (sister, sister, sister, ooh) You're lookin' good, honey
(Thank you brother, thank you baby)
(Hey you)
Hoo hey you, with the bad hip boots on, little girl
(You're the baddest in the world)
It sure would be nice, honey
If I could just make you my girl
And when you walk your walk
You know you let me know
That you're so very much together
(Gether, gether, gether, ooh)
And when you talk your talk to me, honey
You know you make me feel
Lighter than a feather, ooh I've never known it,
But I've always wanted the best in life
And if I had you, honey
I know that I could forget about the rest in life
(I can't conceal) No, no the way I feel (Way I feel)
You're about a head turner
You're about a ... burner
Hey you, hey you, with the curly bush on your head, baby
You know you're lookin' good
You know you're lookin' good
You know you're lookin' good
Soul sister (sister, sister, sister, ooh) And hey you, hey you, with the bad hip boots on
Little girl, little girl (You're the baddest in the world)
It sure would be nice, honey, honey
If I could just make you my girl
