American Boy

Little Mix

[Chorus: Perrie]
Singing, singing, singing
Ooh la la, he breaks my heart
I know he thinks about her when he plays guitar
And ooh la la, my American boy
(Singing, singing, singing)[Verse 1: Jesy]
And I met him back when I was out in California, hey
He was playing in a band and she was dancing on a stage
And he says that I'm the one but she's the one that got away
And he never knew her real name[Pre-Chorus: Leigh-Anne]
Oh, and I don't mean to get so caught up
And insecure 'bout all the things you say (Say, say, say, say)
Oh, and I don't mean to be jealous, it's just careless me
Boy, I must drive you mad
[Chorus: Perrie & All]
Singing, singing, singing
Ooh la la, he breaks my heart
I know he thinks about her when he plays guitar
And ooh la la, my American boy
Singing, singing, singing
Ooh la la, he breaks my heart
I know he thinks about her when he plays guitar
And ooh la la, my American boy
My American boy[Post-Chorus: Leigh-Anne & All]
American, 'merican, 'merican boy
Know it's my American boy (Hey!)
American, 'merican, 'merican boy
Know it's my American boy (Hey!)
[Verse 2: Jade]
So I wanna know who's on your phone
Making me paranoid, making me bad
Making me sad, making me crazy
Making me feel like I needed to ask
I wanna know if you're at home
And if you're at home, baby, are you alone?
Are you alone? Answer your phone
Oh, baby, no no no[Pre-Chorus: Leigh-Anne]
And I don't mean to get so caught up
And insecure 'bout all the things you say (Say, say, say, say)

Oh, and I don't mean to be jealous, it's just careless me
Boy, I must drive you mad[Chorus: Perrie, (Leigh-Anne) & All]
Singing, singing, singing
Ooh la la, he breaks my heart (He breaks my heart)
I know he thinks about her when he plays guitar
And ooh la la, my American boy (Ooh, la, la, la, la)
Singing, singing, singing
Ooh la la, he breaks my heart (Yeah)
I know he thinks about her when he plays guitar
And ooh la la, my American boy (Singing, singing, singing)
My American boy[Post-Chorus: Leigh-Anne w/ All, (Perrie)]
American, 'merican, 'merican boy (Oh, woah)
Know it's my American boy
American, 'merican, 'merican boy (Oh)
Know it's my American boy[Bridge: Jesy w/ All, Jade & Perrie]
Singing ooh la la, ooh la la
I know he thinks about her when he plays guitar
Ooh la la, he breaks my heart
He do, now you're making me[Chorus: Perrie w/ All, All & (Leigh-Anne)]
Singing, singing, singing
Ooh la la, he breaks my heart
I know he thinks about her when he plays guitar, no
And ooh la la, my American boy (Ooh la la la la)
Singing, singing, singing
Ooh la la, he breaks my heart (Yeah)
I know he thinks about her when he plays guitar
And ooh la la, my American boy (Boy, boy)
My American boy[Outro: Leigh-Anne w/ All]
American, my 'merican, 'merican boy
You know it's my American boy (Boy)
American, 'merican, 'merican boy
You know it's my American boy
