

This Is Our Time

Panam Percy Paul

Blow the trumpet in Zion
Sound an alarm on the holy mountain
Because

This is our time with the heirs of salvation
To rise up and conquer

All people come great and strong
To give God the praise

The kind of people we never seen before
Well there won't be another

Because
This is our time with heirs of salvation
To conquer and rule
We lift up our hands to the God of creation
We lift up our hands to the God of salvation
This is our time
To give God the praise

All of creation is anxiously waiting
For the manifestation of the children of the King
This is our time
To give God the praise

We'll run on the walls like men of war
We'll climb into the window like thieves in the night

Because
This is our time with the heirs of salvation
To rise up and conquer

Even though Satan is raging
Because he's time is very short
Well you know I don't care

Because
This is our time with heirs of salvation

To conquer and rule
We lift up our hands to the God of creation
We lift up our hands to the God of salvation
This is our time
To give God the praise

All of creation is anxiously waiting
For the manifestation of the children of the King
This is our time
To give God the praise

This is our time
This is our time
This is our time
This is our time
This is our time
This is our time
This is our time
This is our time
This is our time
This is our time

We are rising
We are rising and will never fall
We are holding steadfast to the call
On your righteousness we shall now depend
We will stand with you until the end

Stand
We are rising
We are rising and will never fall
We are holding steadfast to the call
On your righteousness we shall now depend
We will stand with you until the end

Stand
You gotta stand
Stand
You need to stand
Stand
You gotta stand
Stand
You need to stand
Stand
Stand
Stand

Stand
You gotta stand
Stand
You need to stand
Stand
You gotta stand
Stand
You need to stand
Stand
You gotta stand
Stand
Stand
Stand

Stand
We are rising
We are rising and will never fall
We are holding steadfast to the call
On your righteousness we shall now depend
We will stand with you until the end
