

Uptown (Single Version)

Prince

She saw me walking down the streets of your fine city
It kinda turned me on when she looked at me and said, "come here"
Now I don't usually talk to strangers but she looked so pretty
What can I lose, if I, uh, just give her a little ear?
"What's up little girl?"
"I ain't got time to play"
Baby didn't say too much
She said, "Are you gay?"
Kinda took me by surprise, I didn't know what to do
I just looked her in her eyes and I said, "no, are you?"
Said to myself, said
"She's just a crazy, crazy, crazy little mixed up dame
She's just a victim of society and all its games"
Now where I come from
We don't let society tell us how it's supposed to be
Our clothes, our hair, we don't care
It's all about being there
Everybody's going uptown
That's where I want to be
Uptown
Set your mind free
Uptown
Got my body hot
Get down
I don't want to stop, noAs soon as we got there good times were rolling
White, Black, Puerto Rican, everybody just a-freakin'
Good times were rolling
She started dancing in the streets
Ow, girl, she's just gone mad, you know
She even made love to me
Ooh, best night I ever had, ah yeah
I never talk to strangers but this time it's all right
See, she got me hot, ah, I couldn't stop, ah
Good times were rolling all night, all night, yeah
Now, where I come from we don't give a damn
We do whatever we please
It ain't about no downtown, nowhere-bound, narrow-minded drag
It's all about being free
Everybody's going uptown

It's where I want to be
Uptown
You can set your mind free, yeah
Uptown
Keep your body hot
Get down
I don't want to stop, noUptown
Oh, oh, yeah
Uptown
Everybody's going, everybody's going
Everybody gotta gotta uptown
Now go-go-go, go-go-go uptownUptown
Yeah, yeah, now, all now, uptown
Gotta go-go-go
Baby, got to go, got to, uptown
C'mon, c'mon, you, you have to, you gotta go uptown
Oh, oh, oh, baby, oh yeah
