Miss You Nights

Cliff Richard

I've had many times I can tell you
Times when innocence I'd trade for company
And children saw me crying
I thought I'd had my share of that
But these miss you nights
Are the longest
Midnight diamonds stud my heaven
Southward burning lie the jewels that eye my place
And the warm winds that embrace me
Just as surely kissed your face
Yeah these miss you nights
They are the longest
How I missed you I'm not likely to tell
I'm a man and cold day light
Buys the pride I'd rather sell

All my secrets are wasted affair you know them well
Thinking of my going
How to cut the thread and leave it all behind
Looking windward for my compass
I take each day as it arrives
But these miss you nights
Are the longest
Lay down all thought of your surrender
It's only me who's killing time
Lay down all dreams and themes once remembered
It's just the same this miss you game
Yeah these miss you nights
Are the longest
