

# Miss You Nights

Cliff Richard

I've had many times I can tell you  
Times when innocence I'd trade for company  
And children saw me crying  
I thought I'd had my share of that  
But these miss you nights  
Are the longest  
Midnight diamonds stud my heaven  
Southward burning lie the jewels that eye my place  
And the warm winds that embrace me  
Just as surely kissed your face  
Yeah these miss you nights  
They are the longest  
How I missed you I'm not likely to tell  
I'm a man and cold day light  
Buys the pride I'd rather sell

All my secrets are wasted affair you know them well  
Thinking of my going  
How to cut the thread and leave it all behind  
Looking windward for my compass  
I take each day as it arrives  
But these miss you nights  
Are the longest  
Lay down all thought of your surrender  
It's only me who's killing time  
Lay down all dreams and themes once remembered  
It's just the same this miss you game  
Yeah these miss you nights  
Are the longest
