bam bam bam.
boof boof boof.
take of my condom and throw on my shoes.
i wud tell you guys that im not a faggot
but i would be lying,
and you would call me mean
so id call my momma crying.
pussy lips? no thanks.
i suck dick better than cody banks,
spyin on little girls while they change their socks.
fuck 8 year olds while playing with some building blocks
. i get my rocks off, faster than i can get my socks off, hit the crack rock so hard that it makes me cough, cough.
