Prove Yourself

Ryker's

i just try to belong in a world
i think is wrong
increasing depression growing fear
generations too deaf to hear
i close my eyes and try to understand
but i don't like what i'm seeing
i just can't comprehend - prove you!
how could i have acted so foolish
to rush the head first
u hope things could be different
it's even getting worse
looking down ashamed to understand
reality ain't how it should be
man's his own worst enemytry for yourself - to be!
prove you
prove yourself
prove yourself wrong
wrong!
