

Your attention

Amartia

Baby, what is wrong with you
Can't you see I want you around
And baby, I'm not cryin'
I'm just dyin' for some touch
And if you don't give me your attention
I'll get attention from somebody else
I don't know what your intentions are
I have no patience to be put on the shelf
Mmm, baby, you say, you love me
Then you don't even know, I'm around
And baby if you're not lying
Then keep trying or I'll be gone
And if you don't give me your attention
I'll get attention from somebody else
I don't know what your intentions are
I have no patience to be put on the shelf
Baby, if you show me now
There may still be time to change my heart
But baby, if you don't need me
You'll both leave me when your cryin' starts
And if you don't give me your attention
I'll get attention from somebody else
I don't know what your intentions are
I have no patience to be put on the shelf
If you don't give me your attention
I'll get attention from somebody else
If you don't give me your attention
I'll get attention from somebody else
If you don't give me your attention
I'll get attention from somebody else
