

# Heal Me

## Voices United Choir

Miongoni mwa majaribu nakulilia Wewe  
Moyo wangu wakutamani lakini sikujui  
Nionyeshe nyota ili nikufuate ulikolazwa  
Machozi yangu yatiririka kwani sikuoni

Aiyaiya yayayayayaaa x2

(Heal me and take away this pain I feel and  
Free me, from these chains that you and I can see.) X2

Miongoni mwa matatizo, najua Wanisikia  
Neno lako laseme, wewe ndiwe nuru pia njia  
Nionyeshe mwangaza, ili nisirudi kupotea  
Machozi yangu yatiririka kwani Sikuoni

Aiyaiya yayayayayaaa x2

(Heal me and take away this pain I feel and  
Free me, from these chains that you and I can see.) x2

(Heal me, Free me) x2

Heal me and take away this pain I feel and  
Free me, from these chains that you and I can see. X2
