Take A Chance On Me

Sid Vicious

Intro.
yeah.. jon young.
i know i can't change the past.
sky scrapin
i want you back, i want you back shawty.
Chorus x2:
i know i messed up but take a chance on me we been through so much i can't just up and leave and please don't let this thing come between what we have i want you back.
Verse 1:
saw you just the other day
of that west oaks
we used to go there all the time
but not today though
you was wit somebody new
and couldn't say hi
guess he's one of those type of guys
yeah the jealous type
but thats the kind you like
i was always occupied
wit my own life
and now you gone
and i realize
ain't that the way it goes
same old story
now i know heard this one before
but never got it
til you let me go.
in my mind
i was right
while you were wrong
now look at who's
writin who the love song.
well i guess you long gone
moved on
your over me
all i can say is

i wish it ended differently.
Chorus x2

Breakdown:
take a chance on me.. yeah.
take a chance on me.. shawty.
take a chance on me.. yeah.
take a chance on me.. shawty.
Verse 2:
ay i know it's been a while
but i miss you in my bed.
things just ain't been the same
can't get you out my head
oh how i miss seeing you right beside me
ridin in my cutlass
on a way to catch a movie.
but yeah it's different now
we strangers when we walk past
funny how we best friends
next minute
no more past.
and when i think about
what i did
i can't stand it.
never thought you'd leave
but i was taken you for granted
Chorus x2:
Breakdown TO FADE:
take a chance on me. yeah.
take a chance on me. shawty
take a chance on me. yeah
take, take a chance on me
take a chance on me. yeah
take a chance on me fade out.
