

Who Them Boyz

Master P

Mother fuckin' king of crunk and the don of rowdy music, nigga
Hey, hey, Lil' Jon, Lil' Jon, Master P, Master P
New no limit B M E click me and my mother fuckin' boyz
In the club tonight, we don't give a fuck
If we gotta run the fuckin' fight
Especially with them mother fuckin' boys over there
You know them mother fuckin' boys? Nah!
Who them boyz? Fuck them boyz
You know them boyz? Fuck them boyz
Who them boyz? Fuck them boyz
Yeah, I know them boyz, fuck them boyz
Who them boyz? Fuck them boyz
You know them boyz? Fuck them boyz
Who them boyz? Fuck them boyz
Yeah, I know them boyz, fuck them boyz
I'm from uptown New Orleans, straight out the hood
I jumped off the spinners sayin', "I wish you would"
Nigga walked up on me mean-muggin' talkin' shit, what!
I don't know this mother fucker I probably done fucked his bitch
Eyes hella red I just smoked me a nickel
I ain't feelin' this shit, I put my hand on my pickel
The nigga started steamin' but I'm cool as a fan
He wanna throw 'em up but I got a gat in my pants
I'm throwed off nigga, missin' a few screws
And I don't give a fuck about puttin' yo ass on the news
And if you ain't from my hood, you know you could get it
We roll hella deep niggas screamin', "No limit"
I'm a thug nigga, I lean when I walk
My favorite drink is that Incredible Hulk
I'm a soldia and I'm ready to ride
We got beef we could take it outside
Who them boyz? Fuck them boyz
You know them boyz? Fuck them boyz
Who them boyz? Fuck them boyz
Yeah, I know them boyz, fuck them boyz
Who them boyz? Fuck them boyz
You know them boyz? Fuck them boyz
Who them boyz? Fuck them boyz
Yeah, I know them boyz, fuck them boyz

We ridin' dirty, smokin' windows tinted
Run up on the Lac', this ain't a movie but this the endin'
I gotta nigga rollin' with me name Oozy
We stop on the block and this boy ain't choosy
The first one we see better break me off
And if yo shoes too big, take the mother fuckers off
Straight gutter, straight rugged rugged raw
Wicked like you never saw, lets go to war
If talkin' hell is hot my change is 50/50
If I die I'm takin' you with me so come and get me
In my chest yo' bullets'll never hit me, I'm vested up
Touchin' talneshee nigga that's what's up
We demand respect, 'cuz y'all niggas rookies
Don't make us act like cookie monster and take a niggas cookies
No limit boyz rowdy and we don't give a fuck

Down to spark feelin' I'm pedo and I'm from boat
Chokin' bitches with their weaves I'm all up in their throat
I suggest you think about it, 'cuz you don't really know, what!
I can care less about yo' rep up in the streets
I got peeps in the streets that'll automatic sweep
No limit mommies, only fooled by the baby face
I'm not diggin' yo man I'm just thuggin' for Benjamins
So stop the hatin' increase the radio cake
I'm not familiar with you why you tryin' to debate
I'm in a light green laid back mirror glass tinted
You better keep yo' day job you'll never be in it

Who them girlz? Fuck them girlz
You know them girlz? Fuck them girlz
Who them girlz? Fuck them girlz
Yeah, I know them girlz, fuck them boyz
Who them boyz? Fuck them boyz
You know them boyz? Fuck them boyz
Who them boyz? Fuck them boyz
I know them boyz, fuck them boyz
