

Moment by Moment

Yvonne Elliman

Though our love
Is like a winding road
Of uncertainty
I long to trust your smile
And all the ways you feel
Touching me
Moment by moment
Our lifetime goes on
Till one day
Our somedays are gone
Look at us
Two drifters with a dream
Scared to see it through
But we're so happy now
It might be beautiful
If we do
For moment by moment
The choices we make
Depend on the chances
We take
Oh, for moment
Moment by moment
Our lifetime goes on
Till one day our somedays are gone
For moment
Moment by moment
The choices we make
Depend on the chances we take
Oh, moment
Moment by moment
