Caramel

City High

You can say I'm plain Jane, but it's not the same
I ain't into big names, but I like nice things
I watch boxing matches and football games
I wouldn't mind being an actress, but I love to singI like going out, talking walks and stuff
I don't run with many girls 'cause they talk too much
I enjoy quiet nights at home 'cause I'm next to ya
Though I'm ain't a virgin that don't mean I'm having sex with ya'Cause anywhere I go I'm spotted and anything I want I got it
5' 5" with brown eyes, smile like the sunrise
'Cause anywhere I go I'm spotted and anything I want I got it
5' 5" with brown eyes, smile like the sunriseBaby, look me in the eyes and tell me yeah
I'm the kinda girl you like, I'm feeling you
'Cause baby you're my kinda guy, that's what it is
Thinking about you just might wanna run with thisAll night long, and if you want me we can keep this going
But let me tell you I'm the type that's strong
And I don't trust a lot of men
I'm independent, I'm ain't like some other women'Cause anywhere I go I'm spotted and anything I want I got it
5' 5" with brown eyes, smile like the sunrise
'Cause anywhere I go I'm spotted and anything I want I got it
5' 5" with brown eyes, smile like the sunriseVen aqui, ven aqui Mama
Baby girl, don't you know you a star?
See we could take a little trip to mi casa
Spend the night popping Cris in the hot tubSee I ain't never seen no girl like you
Every sexy little thing you do
5' 5" brown eyes with your thick thighs
Every time I see your smile, got me hypnotizedMira
(So can I get your number or somethin'?)
Mi amor, mira me bien
Te encantara, si quisieras lo tendras
(I don't know what you said, but I like it)
Donde quiera, soy notada
Lo que me hayo consigo
Piel morena, ojos negros
Y sonrisa soleada'Cause anywhere I go I'm spotted and anything I want I got it
5' 5" with brown eyes, smile like the sunrise
'Cause anywhere I go I'm spotted and anything I want I got it
5' 5" with brown eyes, smile like the sunrise'Cause anywhere I go I'm spotted and anything I want I got it
5' 5" with brown eyes, smile like the sunrise
'Cause anywhere I go I'm spotted and anything I want I got it

5' 5" with brown eyes, smile like the sunrise5' 5" with brown eyes, smile like the sunrise
5' 5" with brown eyes, smile like the sunrise
