

# Feel So Real

## Swervedriver

Feel - feel - feel -I feel so real  
I feel so realI feel so real and I owe it all to you.Oh  
I feel so nice with you here by my side.  
If I just do the best  
that I can do it seems that's enough for you.  
The little things mean so much  
a smile or a joyful touch  
That push that keeps me going strong to know that I belongand I feel so real  
I feel so realLove is such a wonderful thingthe angels sing and freedom reignsFreedom from the chains that  
hold us back from harmony.  
I'm right here on my knees to thank you  
for the air that I breath.  
I thank you for the life that you have saved  
That's why I've got to say:  
Feel so real  
I feel so real  
...  
Feel so real  
feel so real  
feel so realFeel so real  
feel so real  
feel so real.
