

# Drown (Feat. Somong And Kenny Dark)

## Ja Rule

Please don't let me drown drown drown(I'm so cold)  
Please don't let me drown drown drown(Don't let me drown)  
Please don't let me drown drown drown(I'm so cold)  
Please don't let me  
Please don't let me Yes sir  
They fought me I'm going in the downer shape  
Into the darker days  
Please don't let me drown (drown)  
All life was fatally  
The burst of your judgment day  
Please don't let me drown  
(Don't let me, don't let me, don't let me, don't let me) Drown drown drown  
Lord let me take it both water like the French quarter  
I'm so walker now  
I'm overlooking the ocean  
From the deck of the yacht the view's gorgeous  
They have the shark in the waters  
But is the few who's among us  
nigga, they wanna bite like piranha  
I overflow near DiCaprio  
I'm top ten bigger than life the aura  
If this ship sink nigga I'm gonna walk on water  
Gigantic but Jesus I'm of the Christian manic  
How do I manage? To be above average and not ever again  
To be the one to dive in knowing I can't swim  
For me to go under not breathing  
I'm drowning I'm going in the downer shape  
Into the darker days  
Please don't let me drown (drown)  
All life was fatally  
The burst of your judgment day  
Please don't let me drown  
(Don't let me, don't let me, don't let me, don't let me) Pray for me 'cause I tested positive  
For being the shit now niggas won't touch me  
And I'm allergic to broke niggas, trust me  
Independent, been in the blood since a young gun  
So I'm thinking there ain't no cure for my illness  
And the diagnose is just something I could live with  
'Cause I'd have make it rain on bitches, storm on niggas

Cash flow like rivers (Please don't let me drown)  
 The drifting it wasn't enough for me  
 To be in the deepest of waters, to feel like I'm snorkeling  
 Off shore and this so reassuring  
 That I'm still sick, in need of a donor  
 'Cause I'm heartless, so I dive in  
 No life vest, knowing I can't swim  
 So if I go under and I'm breathing  
 Am I drowning? I'm going in the downer shape  
 Into the darker days  
 Please don't let me drown (drown)  
 All life was fatally  
 The burst of your judgment day  
 Please don't let me drown  
 (Don't let me, don't let me, don't let me, don't let me) This is the story of a girl (pray)  
 Who cried a river and drowned the whole world (they fought me)  
 I told her cry me a river, little mama don't give up  
 Daddy's here to deliver, the world is cold  
 So them tears you can tie them up  
 Just don't wanna let 'em running down your face  
 Baby the world is frozen  
 I told her if she shared it with me then it'd be ours  
 Like anything you maw  
 How can you give and drown?  
 Under water I can't hear a sound but I  
 See the rain dropping like tears from God am I  
 Mother's telling me that it's a sign of wealth  
 When I don't think the Lord is too fond of her  
 But there's gotta be a reason  
 I'm not drowning, right? I'm going in the downer shape  
 Into the darker days (kill my lights in here baby)  
 Please don't let me drown (drown)  
 All life was fatally (it's black out now)  
 The burst of your judgment day  
 Please don't let me drown  
 (Don't let me, don't let me, don't let me, don't let me)  
 Please don't let me drown  
 (Don't let me, don't let me, don't let me, don't let me)
