

# Wasted

## Angus And Julia Stone

I don't know just what I'll do  
everytime you walk into the room  
oh my head is spinning round  
and I can't see clearly right now

I'm wasted  
I'm so wasted on you  
I'm wasted  
I'm so wasted on you

I don't know if i'll survive  
in this magical land behind your eyes  
and there's all these funny little man  
all asking me to dance and sing

i'm wasted  
I'm so wasted on you  
I'm wasted  
I'm so wasted on you

red and yellow  
pink and green  
purple and orange and blue  
oh, oh all the colours I see my love, everytime I see you

I'm wasted  
i'm so wasted on you  
i'm wasted  
i'm wasted on you  
i'm wasted  
i'm so wasted on you
