

# Love's Gonna Be On Your Side

Taylor Dayne

And now I know it'd be a sin  
To turn away from the love I'm in  
A form of hope, you lose your mind  
Like breaking waves on your heart  
If you ain't too high  
If you took away my mind  
Brought back faith into my life  
Wouldn't change a single thing  
'Cause the sun is my eyes  
But I'm not feeling blind  
And if time doesn't get you  
Then I definitely will  
Oh, love's gonna be on your side  
You gotta let me know  
You gotta let me know  
Love's gonna be on your side  
You gotta let me know  
You gotta let me know  
A precious thing  
A treasure found  
A lover knows when their heart isn't bound  
I traveled through an open door  
Into your arms they embrace me  
And I want them more  
'Cause you liberate my world  
Restore faith into my heart  
Heaven knows when the angels sing  
If this is the master plan  
Then I'll make my stand  
'Cause if time doesn't get me then the devil will  
Oh, love's gonna be on your side  
You gotta let me know  
You gotta let me know  
Times gonna be on your side  
You gotta let me know  
You gotta let me know  
You gotta let me know, baby  
Love's gonna be on your side  
You gotta let me know  
You gotta let me know  
Love's gonna be on your side  
You gotta let me know  
Or let me go  
Maybe if I'm strong enough  
I'll get my wits about me  
Maybe if I got away  
I know that time will take me  
Maybe if I had the chance to do it all again  
Maybe I would never let time slip away  
Oh, but time is standing still, baby  
Love's gonna be on your side  
You gotta let me know  
You gotta let me know  
Times gonna be on your side  
You gotta let me know  
You gotta let me know  
You gotta let me know, baby  
Love's gonna be on your side  
You gotta let me know

You gotta let me know Loves gonna be on your side

You gotta let me know

You gotta let me know
