

# Veggietales Theme Song

[Rebecca St. James](#)

Veggietales, veggietales, veggietales, veggietales if you like to talk to tomatoes, if a squash can make you smile  
if you like to waltz with potatoes up and down the produce aisle have we got a show for you... Broccoli, celery,  
gotta be veggietales  
lima beans, collard greens, peachy keen, veggietales if you like to talk to tomatoes, if a squash can make you  
smile  
if you like to waltz with potatoes up and down the produce aisle Broccoli, celery, gotta be veggietales  
lima beans, collard greens, peachy keen veggietales  
cauliflower, sweet and sour, half and hour, veggietales  
broccoli, celery, gotta be veggietales there's never ever been a show, never been a show like veggietales  
there's never ever been a show, never been a show like veggietales  
there's never ever been a show, never been a show like veggietales  
there's never ever been a show, never been a show like veggietales  
there's never ever been a show, never been a show like veggietales  
there's never ever been a show, never been a show, never been a show been a show, never been a show  
there's never ever been a show, ever been a show, ever been a show, been a show never been a show  
like Veggietales It's time for veggietales.....
