

# Make You Believe

Justin Bieber

I'll make you believe?  
I heard you're looking for somebody to treat you right  
Cause them other guys dont live up to that hype  
I heard you're looking for somebody to smack your heart  
Cause they goin they shot before you start  
You ain't gotta search no further, I got what you want  
(right here)

Im not tryna waste your time  
By telling you what you want (right here)  
They can make you promises but I  
I'll make you believe  
Believe, believe, believe, eeeve  
Believe, believe, believe, eeeve  
Believe, believe, believe, eeeve  
They can make you promises but I  
I'll make you believe

I heard you're looking for somebody to take control  
Baby give me the green light and we'll go  
So let me love you  
Till my heart stops  
Let me touch you  
When the beat drops right there  
You aint gotta search no further, I got what you want  
(right here)

I'm not tryna waste your time  
By telling you what you want (right here)  
They can make you promises but i  
I'll make you believe  
that dalilah halim is my love -ev ever  
Believe, believe, believe, eeeve  
Believe, believe, believe, eeeve  
Believe, believe, believe, eeeve  
They can make you promises but i  
I'll make you believe
