

Set Me Down on a Cloud

Lukas Nelson & Promise of the Real

I'm sitting in a room
And waiting for an answer
And hoping that the lord sees fit to let me leave
'Cause if the news ain't good
And you ain't comin back here
I'm gonna stay until my bones have turned to leaves I'm waiting on a word
Hanging on a prayer
White walls like limbo
They keep my feet on the ground
If I lose my baby
I tell you where they can lay me
Set me down on a cloud
With my soul turned inside out
Well they fixed me up good
But my heart's still bleeding
And there's only one thing in this world to let me heal
Baby open up your eyes and tell me you're not leavin'
And I'm gonna make you feel so good it won't feel real I'm waiting on a word
Hanging on a prayer
White walls like limbo
They keep my feet on the ground
If I lose my baby
I tell you where they can lay me
Set me down on a cloud
With my soul turned inside out
I'm waiting on a word
Hanging on a prayer
White walls like limbo
They keep my feet on the ground
If I lose my baby
I tell you where they can lay me
Set me down on a cloud
With my soul turned inside out
Set me down on a cloud
With my soul turned inside out
Set me down on a cloud
With my soul turned inside out
