## Blessid Union Of Souls

Oh VirginiaHere's my chance to say thank you to a place where  
All my memories are fond and an essence of my heart  
Waiting there with open arms, there's Melissa full of charm  
How I miss her so, she was such a sight of love down inOh Virginia, down the highway to 64  
East way to Newport News, there you'll find an open door in  
Oh Virginia, all my friends are there to greet me  
Just a smile down 64, along the open roadAt the Patton Hotel, I spent lots of time there  
That's where we decided, this is where we wanted to be  
And down the road on Jefferson, you'll find Steamer's close by  
If you see Mark and Steve Breen, tell 'em Jeff and I both said, "Hi"But we were younger then, never knowing  
then  
That she would take us as her own and make us part of her life  
Highway to the sun, we had so much fun  
I can't wait to get there, tell 'em that I miss my second homeOh Virginia, down the way, we'll be there in no  
time  
Oh Virginia, just a ride down 64  
Oh Virginia, I can see those signs from here  
Oh Virginia, 25 miles to Hampton RoadsOh Virginia  
Oh Virginia  
Sing itWe got friends in Yorktown  
We got friends in Williamsburg  
We got friends in Newport News  
We want all of y'all from Portsmouth singWe got friends in Bluefield  
We got friends in Richmond  
We got friends in Hampton Roads  
And down by the beach, let me hear everybody, yeahOh Virginia  
Oh VirginiaOh Virginia
