

# Sophisticated Lady

## Jimmie Lunceford and His Orchestra

I got this feeling baby,  
Inside it's driving me crazy  
I just don't know what to do  
Why don't you get this started  
Body language so inviting  
There ain't nothin that we won't do  
Ohhh... Sophisticated lady  
Come and get my loving  
Never get enough of the push and shoving  
Ohh... Sophisticated lady  
Changed my name from the B to the G  
so my hubby can get with me  
I know that we can make it  
Never ever gonna get it on I'm freakin  
That style don't suite me or you  
There are so many reason  
Why our love is so in season  
Thoughts like this keep me straight with you  
Ohhh... Sophisticated lady  
Come and get my loving  
Never get enough of the push and shoving  
Ohh... Sophisticated lady  
Changed my name from the B to the G  
so my hubby can get with me  
Ohh.. Sophisticated Lady  
Have we got sound?  
Hey yo Mel you ride this beat so well  
Late at night lacing tracks past the midnight bell  
But we don't sweat it though cause the three of us are strong  
With the energy you give babe we can't go wrong  
Paris was a city in the heat of the summer time  
When J took the heart of a friend of mine  
Then you gave rings and the vows were done  
And you'll always be together 'cause 2 become 1  
Ohhh... Sophisticated lady  
Come and get my loving  
Never get enough of the push and shoving  
Ohh... Sophisticated lady

Changed my name from the B to the G  
so my hubby can get with me  
Ohhh... Sophisticated lady  
Come and get my loving  
Never get enough of the push and shovin  
Ohh... Sophisticated lady  
Changed my name from the B to the G  
so my hubby can get with me
