Never Let Go

Hanson

Just lay down
And let your worries sleep
Don't think now
The water is dark and deep
'Cause you know that I'll love you
And never let go
And you know
That I'll love you forever
I'll love you and never let go
Yes I'll love you and never let go
Just cry out
Yeah I've cried those tears before
I can feel it now
As your teardrops hit the floor
'Cause you know
That I'll love you and never let go
And you know
That I'll love you forever
I'll love you and never let go
Yes I love you and never let go
You don't have to ask me do I love you
As I hold you it says how much I do
I'm yours until forever is through

Anytime I stand for you
I know I'd lay my life down for you
I'll never let
Not ever let go
just lay down
put your worried thoughts to bed
as slumber pulls you down
on my shoulder rest your head
'Cause you know
That I love you and never let go
And you know
That I'll love you forever
I'll love you and never let go
Yes I love you and never let go
never let go never let go

never let never let go never let go
