

Radio Head

Talking Heads

Baby your mind is a radio
Got a receiver inside my head
Baby I'm tuned to your wavelength
Lemme tell you what it says Baby, transmitter
Oh! picking up something good
Hey, radio head
The sound of a brand-new world So look at my fingers vibrate
From their tip down down to my toes
Now I'm receiving your signal
We're gonna leave the land of noise Transmitter
Oh! picking up something good
Hey, radio head
The sound of a brand-new world Transmitter
Oh! picking up something good
Hey, radio head
The sound of a brand-new world Now you and I have no secrets
Now baby, lemme read your mind
I hear everything you're thinking
You can't help the way you sound Transmitter
Picking up something good
Hey, radio head
The sound of a brand-new world Transmitter
I'm picking up something good
Hey, radio head
The sound of a brand-new world
Oh, radio head Radio head
Radio head
Radio head
