Gone Insane

Lucius

My stomach's turning, my head is in my hands, don't know where this ends
My fists are clenched and I'm so angry with you
You say that I'm the one who's gone insane
Oh, I'll just be the one who's gone insaneMy heart's so heavy I'm gonna need your help
Losing my grip while holding everything else
My fists are clenched and I'm so angry with myself
The time we share is in the suffering
We're all alone in this togethernessGo on, call me the one who's gone insane
Oh, I will be the one who's gone insane
Go on, call me the one who's gone insane
'Cause I will be the one who's gone insaneMy vision's cloudy, can't seem to find my way around the what's-been-said
You're throwing words like darts at my head
I've been your target many times before
I don't even feel them anymoreYou can't call me the one who's gone insane
'Cause we know you're the one who's gone insane
Go on, call me the one who's gone insane
Oh, I will be the one who's gone insaneI'm not the only one to blame, no
I'm not the only one to blame, no
I'm not the only one to blame, just keep calling me insaneOh, I'm the one who's gone insane
Oh, I must be the one who's gone insane
Go on, call me the one who's gone insane
Oh, I can be the one who's gone insane
