

# I May Never Get Over You

**Brooks & Dunn**

Not that long ago  
Seems like yesterday  
We were caught up in love  
We were swept away Seems like overnight  
From out of the blue  
Somethin' went wrong  
Between me and you Oh, I'll move on, I'll be strong  
Do what I have to do  
No matter where you are  
You'll always have my heart  
I may never get over you The hopeless dreams, insanity  
I'm just a fool with a fantasy  
I close my eyes, I feel your touch  
Just as real as it ever was I'll move on, I'll be strong  
Do what I have to do  
No matter where you are  
You'll always own my heart  
I may never get over you I'll move on, I'll be strong  
Do what I have to do  
No matter where you are  
You'll always own my heart  
I may never get over you
