

# Say Sump'n

## Haystak

(talkin)

the south killed hip-hop? where they say dat at, better not say 'round me. lemme go on an adress dat while im in  
tha studio cuz these days..check check..verse 1

studio im so not wit cuz i got a hustle dat wont permit it im so commited and dont forget it im quit wit it get it  
quit wit it

like mike vic wit it if i did i did it it take a bigger man just speak up an admit it im guilty as charged an da  
sentence is pendin in tha mean time can i try to get me a million

buildin somethin for my childrens children u really think im considerin your sensitive feelins boy dont you kno i  
put out mix-tapes dat'll make u go home an erase ya myspace lyrics un-cut luk they came in brick tape think im  
poppin off now uh-uh jus wait dont let da gucci loafers an da polo sweater make ya think im boogey cuz u kno  
better(chourus)

im southern by blood not realtion u got a problem wit da south when u see me say sump'n say sump'n say  
sump'n when u see me say sump'n say sump'n say sump'n when u see me say sump'n (repeat)verse 2  
now dat u see im 4real do u needa see da steel must it get pulled out an put up to ya grill if need be people can  
get killed but u and i both know its not da real but it can be u understand me u involve family an we movin to  
plan b catch em at da after party send someone to meet & greet em walk up on em how u doin 9 millimeter-  
meter em

jesus keep me focused in a direction of righteousness i dont exist for dis petty-ness im think ima jus let it ride  
like da water off a duck back u say one more bout em umumum

loose my disposition on it change my position on it people throwin bricks at it pullin out pistols on it take ya  
state an carve my initials on it bandana ya block down looks real official dont it(repeat chorus x2)verse 3

a moment in time im turnin to ya reprocusions father forgive me they thought dat i was bluffin  
i was holdin da cards they was bettin dat i wasnt put they chips in da pot & i royally flushed em  
no more discussin politics im clickin on da first to speak hit em wit dat urgency 911 emergency surgery either  
for u or for me cowards buildin it up an dats how its suppost to be

im on a mission non-stop stackin dat cash finish up positions your first an your last i see em on da internet talkin  
dat trash which is weird cuz in real life they not dat bad

razzmatazz abracadabra shavazz if u paid to get in there i hope you havin a blast if u got some kinda go on an  
rush da stage cuz i promise you'll like my music more then punches in da facerepeat chorus x2
